Transport and books	£710	
Breakfast and lunches	£220	
Trips and tours	£370	
Termly total	£5,398	

Monthly payment – £1,349.50
All termly fees are due before the new term begins. All monthly payments are due on the first of each month.

Siblings

Sibling discount – 5% discount for each pupil on main fees only.

Advance fee payments

At Langley Hall Arts Academy, parents are able to pay in advance for their child's tuition. Such payments, if made before the beginning of the year, will qualify for a 5% discount on the main fees.

We prefer all payments to be made directly to the school bank account. The details are as follow;
Metrobank, Slough
Sorting Code – 23 05 80
Account name – Langley Hall Arts Ltd
Account number – 5388 5799

Monthly payments are spread evenly over 12 equal payments to help families plan their budgets. This means that a payment is due on the 1st of August. This may seem counter intuitive because the school is closed in August, however, this is just the final payment of the annual fee. Thank you

Arrangements for replacement items

1. All textbooks, exercise books and online resources are included in the fees. However, should pupils loose or damage textbooks or exercise books allocated to them they will be required to pay for a replacement.
2. Any musical instrument on loan to pupils must be looked after and cared for. Loss or damage will be charged to parents (please refer to the LHAA Care of Instrument Agreement in the Admissions forms pack.)

Finance Terms and Conditions

1. On confirmation that we can offer your child a place at LHAA a registration fee of £100 is required. This covers the cost of registration administration and if your child does not take up the place this is not refunded.

2. The fees are payable termly in advance, one week before the first day of term. Non payment without communicating any difficulties you may be experiencing in making the payment may mean that the place is given to the next child on the waiting list.

3. Monthly payments are possible and attract a small surcharge of 5%

4. If monthly payments are chosen the monthly instalments are due on the first of every month, even if this is not a school day.

5. The monthly payments take the annual fee and divide by 12 equal instalments in order to provide consistency with planning household budgets. This means that an instalment is due on the 1st August. This may seem strange because the school is closed in August, but this is just the 12th instalment of the annual fee.

6. Fees for one to five years can be paid in advance and this will attract a discount as detailed in the Parent Handbook. Payments made in advance will also have the advantage of avoiding any future fee increases. Payments made in advance are non refundable unless the school withdraws the place.

7. Once a pupil is awarded a place at the school and that place has been accepted, then a **full** term's notice of withdrawal is required. If the pupil leaves the school without giving a full term's notice, then the fees are still due for the subsequent term and payment is due in all circumstances.

8. A full term's notice is defined as the first day of the holidays at the end of each term.

9. Any scholarships or bursary discounts offered are to remain confidential between the school and the parents. If it learned that parents have discussed a discount with other parents or other parties then the school reserves the right to withdraw the discount with a term's notice.
